Apria Healthcare Launches Apria Salutes™
Reaffirms its Commitment to Active Duty Military and Veterans
Exclusive 25 Percent Discount and Free Shipping on Retail Purchases on ApriaDirect.com

(LAKE FOREST, Calif.) May 31, 2018 – Apria Healthcare, one of the nation's largest providers of home healthcare and equipment services, announced the launch of Apria Salutes™. This program reaffirms the Company's long-standing commitment to the men and women of the armed forces by offering active duty military, veterans and their eligible family members an ongoing 25 percent discount and free shipping on qualifying purchases made on ApriaDirect.com – Apria's retail home medical equipment and supplies website.

"We are proud to do our part to help the men and women who are actively serving or who have served our country by providing a convenient way to shop for over 7,000 health-related retail items, ranging from CPAP accessories to mobility devices," said Dan Starck, Chief Executive Officer of Apria Healthcare Group. "These products help people improve their quality of life, and Apria is honored to offer our service members and veterans a way to save not only during military holidays and observances, but every day."

Apria Salutes™ provides exclusive online savings to Active Duty members, Reserves and Veterans – and their eligible family members – of the U.S. Air Force, Army, Navy, Marines, National Guard and Coast Guard. Enrollment in the program is free of charge. For additional information and eligibility guidelines, visit www.apriadirect.com/apria-salutes.

Apria has a long and proud history of helping our country's active military personnel, veterans, and their families. In fact, as part of the Blackstone Veterans Initiative, Apria, along with a portfolio of companies, has adopted a goal to hire 50,000 individuals by 2022. This is in addition to the 50,000 veterans and spouses that were hired between 2013 to 2017 under the same initiative. Apria also belongs to the Department of Defense Military Spouse Employment Partnership, which works to connect military spouses with partner employers.

"By hiring American veterans and military spouses, not only do we reinforce our commitment to those who have selflessly served and protected our country, but the contributions of these dedicated individuals help strengthen our company and our ability to serve patients," said Starck.
